General Director

December 9, 2020
No. AXY-70-110320

Letter of Recommendation

LLC "iCom" carried out design and survey work for the **automated metering system for technical accounting of energy resources** at the administrative building of JSC "RZD" under **Contract No. 3642898 dated October 24, 2019**.

The contract included the following components:

- System-wide solutions
- Organizational support
- Information support
- Technical support
- Mathematical support
- Equipment interfacing algorithms with the hardware

The objects of automation and monitoring included:

- Electricity metering systems
- Water resource metering systems
- Heat energy metering systems
- Air conditioning and automation systems

In accordance with the above contract, **LLC "iCom"** fulfilled its obligations **fully and on time using its own resources without engaging third-party organizations**.

We have **no complaints regarding the completed work**.
